

## Education

- **Polytechnique Montreal, Montreal, QC, Canada** (2017-2019)  
*M.Sc. Degree, Department of Chemical Engineering*  
Process Engineering Advanced Research Lab (PEARL)
- **École polytechnique Paris-Saclay, Palaiseau, France** (2014-2017)  
*Engineer degree, equivalent to a B. Ing. Degree with Chemistry and Biology as major courses*
- **Lycée Louis le Grand, Paris, France** (2012-2014)  
*Classe Préparatoire aux Grandes Écoles scientifiques : a two-year intensive undergraduate program preparing for the competitive exam to enter French Grandes Écoles*

## Research Interests

- Chemical Reaction Engineering
- Catalytic Reaction
- Microwave process

## Work Experience

- **Bostik R&D, Milwaukee, WI, USA** Research Intern 2017
- **GRTgaz** Intern 2016  
Paris, France.
