

Education

- **Polytechnique Montreal, Montreal, QC, Canada** (2018-2019)
M.Sc. Degree, Department of Chemical Engineering
Process Engineering Advanced Research Lab (PEARL)

- **Sherbrooke University, Sherbrooke, QC, Canada** (2013-2017)
Bachelor Degree, Department of Chemical and Biotechnological Engineering

Research Interests

- Process Design, Development and Optimization
- Chemical Reaction Engineering
- Multiphasic Systems
- Catalytic Reaction
- Modelling and Simulation
- Electrochemistry

Work Experience

- | | | |
|---|--------|------|
| • Research Lab of Prof. Gervais Soucy
Sherbrooke University, Sherbrooke, QC, Canada | Intern | 2017 |
| • Innomalt Malthouse
Sherbrooke, QC, Canada | Intern | 2016 |
| • Graphic Packaging Int. Cardboard Factory
East Angus, QC, Canada | Intern | 2015 |
| • Pyrotek Inc. R&D Center
Sherbrooke, QC, Canada | Intern | 2015 |
| • IPL Inc. R&D Center
St-Damien-de-Buckland, QC, Canada | Intern | 2014 |
